

- ATTENTION! -

Minter Field Airport District will be starting the transition to a card access system for all vehicular entrances to the airfield. Gates included in this process will be: Gate 3 (Aviation Street), Gate 6 (Aviation Street), Gate 7 (Vultee Street) and Gate 11 (Stearman Avenue). We will be using a systematic approach to upgrading the access system, with one gate shut down and the other three remaining operational throughout the construction process.

Construction Schedule:

October 1st through October 31st

Gate 11 (Stearman Avenue) will be closed for upgrades October 1st through October 31st. Gate 3 (Aviation Street), Gate 6 (Aviation Street) and Gate 7 (Vultee Street) will remain operational.

November 1st through November 30th

Gate 7 (Vultee Street) will be closed for upgrades November 1st through November 30th. Gate 3 (Aviation Street), Gate 6 (Aviation Street) and Gate 11 (Stearman Ave) will remain operational.

December 1st through December 31st

Gate 6 (Vultee Street) and Gate 3 (Aviation Street) will be closed for upgrades December 1st through December 31st. Gate 7 (Vultee Street), and Gate 11 (Stearman Ave) will remain operational.

Obtaining Access Cards

Information on applying for and obtaining gate access cards will be distributed via email the last week of October 2021.

Please refer all questions regard this project to the District office.
